1 New hires in the videotape operator classification (entry level personnel) shall be eligible for the higher rate after one (1) year of service in the entry level classification.

2 A Stagecraft Department employee assigned to operate a camera crane, camera dolly, dimmer board or special effects work shall receive an additional sixty-five cents (\$0.65) per hour.

A Stagecraft Department employee assigned to work four (4) or more hours of the workday in an aerial lift used as a lighting platform, which lift is at a height of at least thirty-five (35) feet, shall receive an additional sixty-five cents (\$0.65) per hour. The Producer will provide an appropriate fire extinguisher when an aerial lift is used as a lighting platform.

A licensed powderman performing licensed powder work shall receive a bonus of twenty dollars (\$20.00) per shift.

When a Stagecraft Department employee is assigned to operate a camera crane, crab dolly, dimmer board or to do special effects work which is non-routine or which requires special expertise, such employee shall be selected from among the appropriate rosters having the personnel with the required expertise. Such roster selection shall not restrict the right of interchangeability of such employees with "other stagecraft persons."

3 It is understood that crafts service personnel and teleprompter operators employed under this Agreement are to be treated and paid as "Other Stagecraft Department Persons."
