“(ii) Effective [insert date that is the first Sunday that is 90 days after either October 1, 2024 or the business day on which the AMPTP receives notice of ratification, whichever is later], the penalty for invasion of the weekend rest periods as set forth in subparagraph (b)(1)-(3) above shall be a payment of additional double time for the invaded hours only. If the daily rest period is invaded by one-half hour or less, the penalty shall be payment of one-half hour of additional double time; if the daily rest period is invaded by more than one-half hour, the penalty shall be computed in one-tenth hour increments (e.g., a thirteen (13) minute invasion would result in payment of additional double time for one-half hour, and a thirty-six (36) minute invasion would result in payment of additional double time for six-tenths of an hour). This subparagraph (ii) shall not apply to television motion pictures or episodes of a series which commence principal photography prior to [insert date that is the first Sunday that is 90 days after either October 1, 2024 or the business day on which the AMPTP receives notice of ratification, whichever is later].”

c. *Modify Article 26(a)(1) of the 2021 Local 52 SDPA as follows:*

“26. CALL-BACKS (Distant Location)

* * *

“(a) Daily Rest Period on Distant Location

“(1) (i) The daily rest period shall be nine (9) hours on distant location.

“(ii) (A) If the daily rest period is invaded by no more than one (1) hour, the employee shall be paid additional straight time for all such invaded time.

“(B) Effective [insert date that is the first Sunday that is 90 days after either October 1, 2024 or the business day on which the AMPTP receives notice of ratification, whichever is later], if the daily rest period is invaded by no more than one (1) hour, the employee shall be paid additional double time for all such invaded time. If the daily rest period is invaded by one-half hour or less, the penalty shall be payment of one-half hour of additional double time; if the daily rest period is invaded by more than one-half hour, the penalty shall be computed in one-tenth hour increments (e.g., a thirteen (13) minute invasion would result in payment of additional double time for one-half hour, and a thirty-six (36) minute invasion would result in payment of additional double time for six-tenths of an hour). This subparagraph (B) shall not apply to television motion pictures or episodes of a series which commences principal photography prior to [insert date that is the first Sunday that is 90 days after either October 1, 2024 or the business day on which the AMPTP receives notice of ratification, whichever is later].”

“(iii) If the daily rest period is invaded by more than one (1) hour, then the penalty shall be as provided in Article 22(b) above.”

13. **Firearm Safety**

Modify Article 44 of the 2021 Local 52 SDPA as follows:

“44. ON-SET FIREARM SAFETY MEETINGS

“Local 52 and the Producers acknowledge that the Industry-wide Labor-Management Safety Committee has adopted guidelines for safety meetings when firearms will be used on a set. The parties urge Producers to act in accordance with those guidelines, which include the following:

“Before any use of a firearm in a rehearsal and/or on-camera sequence or off-camera use, all persons involved must be thoroughly briefed at an on-site safety meeting where the firearms will be used. This meeting shall include an "on-site walk through" and/or "dry-run" with the Property Master (or, in ~~his/her~~ **the Property Master's** absence, the weapons handler and/or other appropriate personnel determined by the locality or the needs of the production), designated production representative, and anyone that will be using and/or handling a firearm. An understanding of the intended action, possible deviations, plans to abort, emergency procedures, and chain of command should be made clear.

“A safety meeting for the cast and crew shall be conducted. If there are any questions as to the safety of firearms being used in the sequence or if any changes are made from the original sequence, another safety meeting shall be held.

“Additionally, the parties recognize that firearms are considered props in the film industry and are the responsibility of the Property Master or a professional, skilled and properly licensed technician who is hired by the Producer, works under the direction and supervision of the Property Master and maintains control of the firearms on set (e.g., an 'Assistant Property Master'). The Property Master or Assistant Property Master will be the individuals acting in the interest of the Producer for obtaining, maintaining and handling all firearms. The Property Master or Assistant Property Master will work in conjunction with the Producer to ensure adherence to the guidelines set forth in the Industry-wide Labor-Management Safety Committee's Safety Bulletins #1 ('Recommendations for the Use of Firearms, Blanks, and Dummy Rounds') and #2 ('Prohibitions and Special Restrictions on the Use of Live Ammunition').

“Upon request, the Union shall provide a Producer with a record of the individuals who have taken the Union's firearm safety training, including the name of the training courses completed, the date of completion and information about the training course curriculum.”

14. **Work in Extreme Heat and Cold**

Add a new Article 46 to the 2024 Local 52 SDPA as follows:

“46. WORK IN EXTREME HEAT AND COLD

“The Producer shall monitor weather conditions for daily extreme heat and cold temperatures and develop a safety plan for work in extreme heat and cold for ‘on’ and ‘off production’ employees. The safety plan shall include the Industry-wide Labor-Management Safety Committee’s Safety Bulletins #34 (‘Guidelines for Working in Extreme Cold Temperature Conditions’), #34A (‘Addendum “A” Wind Chill Chart’) and #35 (‘Safety Considerations for the Prevention of Outdoor Heat Illness’). Safety plans shall be communicated to ‘on’ and ‘off production’ employees.”

15. **Travel Days**

a. *Modify Article 20(b)(7) of the 2021 Local 52 SDPA as follows:*

“(7) “Travel Only” Day: For any day of the week (including holidays) on which an employee travels only, the employee shall receive an allowance of four (4) hours of pay at straight time or pay for time actually traveled, whichever is greater, but in no event more than eight (8) hours of pay at straight time.

Effective [insert date that is October 1, 2024, or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later], Producer shall make pension and health contributions based on one-half of the applicable daily contributions if the employee’s actual travel time on such day is six (6) hours or less and a full day of contributions if the employee’s actual travel time on such day exceeds six (6) hours.”

b. *Modify Article 25(a) of the 2021 Local 52 SDPA as follows:*

“(a) This subparagraph (a) applies to employees working on motion pictures in New York and/or New Jersey. For employees working on motion pictures in Connecticut, Delaware or that part of Pennsylvania within the geographic jurisdiction of the Feature and Television Production Contract, see Article 20(b)(7).

“For any day of the week (including holidays) on which an employee travels only, the employee shall receive an allowance of four (4) hours of pay at straight time, or pay for time actually travelled, whichever is greater, but in no event more than eight (8) hours of pay at straight time. Effective [insert date that is October 1, 2024, or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later], Producer shall make pension and health contributions based on the employee’s actual

travel time on such days, with a minimum of four (4) hours and a maximum of eight (8) hours.”

16. Courtesy Housing or Transportation

Modify Article 42 of the 2021 Local 52 SDPA as follows:

“42. COURTESY HOUSING OR TRANSPORTATION

“(a) ~~Effective October 29, 2018, upon request of an employee who~~ When an employee is required to work in excess of fourteen (14) hours ~~within a radius of thirty (30) miles of Columbus Circle in the New York metropolitan area or within a radius of thirty (30) miles of Independence Hall in Philadelphia, Pennsylvania and who advises the Producer that he/she is too tired to drive home safely,~~ Producer shall ~~provide offer~~ the employee either courtesy housing or round trip transportation, ~~at the Producer’s election. Round trip transportation shall be~~ from the designated crew parking area to home and return at the Producer’s expense.¹ ~~Producer shall inform employees of the availability of courtesy housing or round trip transportation. Employees shall not be required to secure their own courtesy housing or round trip transportation. Producer must supply and arrange for sufficient courtesy housing/round trip transportation to accommodate all employees who may request the same. In this circumstance, an employee who chooses to obtain transportation through a ride share service such as Uber or Lyft shall be reimbursed upon submission of a receipt.~~

“Courtesy housing, when offered, must be available to the employee for at least the applicable daily rest period, or until the employee’s call time, whichever is earlier.

“Producer shall provide secured parking for employees utilizing courtesy housing/round trip transportation when the employee’s vehicle is left at the production location. If an employee has driven to the worksite when Producer offered the employee transportation, the Producer shall have no responsibility for the personal vehicle of ~~the employee an employee who elected to use his or her personal vehicle in lieu of Producer-provided transportation.~~

“Producer shall include information on the call sheet informing employees of these new provisions obligating the Producer to offer either courtesy housing or round trip transportation, which shall include the name and contact information of the individual responsible for coordinating the same on each production. Producer shall also include a joint message from the Producer and the Union in the start paperwork encouraging employees to utilize courtesy

¹ Round trip transportation may include public transportation if reasonable under the circumstances.

housing/round trip transportation and reminding employees of their right to request the same whenever they are too tired to drive.

“Provision of courtesy housing shall not trigger distant location terms and conditions.

“(b) The following applies to an employee working on a motion picture in New York and/or New Jersey who reports to a location outside the ‘thirty (30) mile report-to zone,’ and who is provided courtesy housing:

“(i) The employee’s work time ends upon arrival at the courtesy housing (except as provided in subparagraph (iii) below).

“(i) If the employee has a call for the same Producer on the next day: The measurement of the employee’s daily rest period shall begin when the employee arrives at the courtesy housing on the previous day and end when the employee departs the courtesy housing for the call on the next day. The amount of time it takes to travel from the courtesy housing to the production location on the next day shall be added to the employee’s work time on the next day.

“(iii) If the employee does not have a call for the same Producer on the next day but is entitled to a weekend rest period: The amount of time required for the employee to travel from the production location to either a mutually-agreed upon point in the area bounded by 125th Street and the Battery or to the perimeter of the area bounded by 125th Street and the Battery shall be added to the employee’s work time for the previous day and to the measurement of the employee’s weekend rest period. (For clarity, this added time shall be in lieu of the time it takes to travel from the production location to the courtesy housing.)”

“(c) The following applies to an employee working on a motion picture in Connecticut, Delaware or that part of Pennsylvania within the geographic jurisdiction of the Feature and Television Production Contract who reports to a location outside the ‘production zone,’ and who is provided courtesy housing:

“(a) The employee’s work time ends upon arrival at the courtesy housing (except as provided in subparagraph (c) below).

“(b) If the employee has a call for the same Producer on the next day: The measurement of the employee’s daily rest period shall begin when the employee arrives at the courtesy housing on the previous day and end when the employee departs the courtesy housing for the call on the next day. The amount of time it takes to travel from the courtesy housing to the production location on the next day shall be added to the employee’s work time on the next day.

“(c) If the employee does not have a call for the same Producer on the next day but is entitled to a weekend rest period: The amount of time required for the employee to travel from the production location to the edge of the ‘production zone’ shall be added to the employee’s work time for the previous day and to the measurement of the employee’s weekend rest period. (For clarity, this added time shall be in lieu of the time it takes to travel from the production location to the courtesy housing.)”

17. **Artificial Intelligence**

Incorporate the new Article entitled “Artificial Intelligence” from the 2024 Local 52 Majors Agreement in a new Article 46 to the 2024 Local 52 SDPA as follows:

“46. ARTIFICIAL INTELLIGENCE

“The provisions of Article 20 (‘Artificial Intelligence’) as contained in the 2024 Local 52 Feature and Television Production Contract and the Sideletter re: ‘Artificial Intelligence’ shall be deemed incorporated herein for the period *insert the date that is October 1, 2024 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later*] through September 30, 2027.”

18. **Bereavement Leave**

Add a new Article to the 2024 Local 52 SDPA, effective October 1, 2024 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later, as follows:

“In the event of the death of a ‘family member’* of a regularly-scheduled employee, the employee shall be allowed up to three (3) days of paid bereavement leave. For employees employed on an hourly or daily basis, a day of bereavement leave pay shall be equal to eight (8) hours’ pay at the employee’s straight time hourly rate. For weekly employees (including ‘on call’ employees, if any), a day of bereavement leave pay shall be equal to one-fifth (1/5th) of the employee’s weekly rate.

“An employee who is absent from work due to bereavement leave will be reinstated to the employee’s original position on the production upon return, provided that the position continues to exist; however, for continuity purposes, a Producer is not required to reinstate an employee on an episodic series until work on the current episode has been completed. The Producer and the Union will discuss on a case-by-case basis, upon the request of the Producer, issues related to the individual’s reinstatement.

“* ‘Family member’ means any of the following: (1) a biological, adopted or foster child, stepchild, legal ward or a child to whom the employee stands *in loco parentis*; (2) a biological, adoptive or foster parent, stepparent or legal guardian of the employee or the employee’s spouse or registered domestic partner or a person who stood *in loco parentis*

when the employee was a minor child; (3) a spouse; (4) a registered domestic partner; (5) a grandparent; (6) a grandchild; or (7) a sibling.”

19. **Bulletins**

a. **12-Minute Meal Grace**

Producers agree to issue the following bulletin to appropriate production personnel:

“During the 2024 negotiations for the Local 52 Majors Agreement and Supplemental Digital Production Agreement, the Union raised concerns that Employers use the twelve (12) minute grace period to delay meal periods beyond six (6) hours from call or the last meal period (without payment of meal penalties) on a daily or planned basis.

“This bulletin is a reminder that under the Local 52 Majors Agreement and Supplemental Digital Production Agreement, the twelve (12) minute grace period ‘shall not be scheduled nor automatic nor is it intended for everyday use.’ Please be sure that production personnel are aware of this restriction on the use of the twelve (12) minute grace period.”

b. **Climate Control**

Producers agree to issue the following bulletin to the appropriate production personnel:

“During the 2024 negotiations for the Local 52 Majors Agreement and Supplemental Digital Production Agreement, the Union discussed that employees, both on and off production, work under varied conditions, including a wide range of temperatures. The Union raised concerns regarding on and off production employees’ receipt of accommodations for heating (when working in a cold environment) and cooling (when working in a hot environment).

“Accordingly, this bulletin serves as a reminder that Employers should endeavor to provide those accommodations, which may include air conditioning or heating, fans, shade or heating tents and similar accommodations, when the temperature calls for those arrangements to be made. It is understood that the exact nature of the accommodations may vary depending on the circumstances, such as availability in the location where the work is taking place. It is also worth noting that open stage doors adversely affect the efficiency of heating and cooling systems, and efforts should be made to minimize the amount of time that stage doors are left open.”

c. **Restrooms and Menstrual Products**

Producers agree to issue the following bulletin to appropriate production personnel:

“During the negotiations for the 2024 Local 52 Majors Agreement and Supplemental Digital Production Agreement, the Union raised concerns about the provision of adequate restroom facilities for employees. Please remind production personnel responsible for setting up restroom facilities that they should ensure that an adequate number of restroom facilities are provided and are cleaned on a regular schedule. Furthermore, productions should make reasonable efforts to provide a gender neutral bathroom, which may include relabeling a single occupancy bathroom to be gender neutral.

“In addition, the Union requested, and the parties agreed, that Employers will make best efforts to provide menstrual products, including tampons and menstrual pads, at no cost to the employee.

“Please ensure that a copy of this bulletin is distributed to the appropriate personnel in your production offices.”

20. **Start Paperwork**

Add the following as a new subparagraph (e) to Article 15 of the 2021 Local 52 SDPA:

“(e) Effective [insert date that is October 1, 2024, or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later], the payroll start package/forms, whether electronic or hard copy, must be provided to a new employee no later than the end of the first day of employment. Inadvertent failure to do so shall not be considered a violation of this provision. When requested by the employee, the Producer must provide a hard copy of the start package/forms to the employee or assist with completion of the electronic start package/forms.”

21. **Severance Pay**

- a. *Modify Article 29 of the 2021 Local 52 SDPA as follows:*

“29. SEVERANCE PAY

“(a) Employees employed by Producer shall receive the severance pay set forth below if they have worked the necessary qualified years for the Producer as follows:

Number of Consecutive Qualified Years Employee Already Has on the Date of Severance	Not Offered Employment Within Following Number of Elapsed Days After Severance Occurs	Maximum Number of Weeks of Severance Pay
1-2	90	1
3-4	90	2
5-8	90	3
9	90	4
10	270*	5
11-12	270*	6
13-14	270*	7
15	270*	8
16	270*	9
17	270*	10
18	270*	11
19	270*	12
20	270*	13

“An employee with twelve (12) or more qualified years, whose employment is severed on or after [insert date that is October 1, 2024 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later], shall receive an additional twenty-five percent (25%) of the applicable severance pay set forth above.”

* If the employee is not offered comparable employment within ninety (90) days' elapsed time after severance occurs, two (2) weeks of accrued severance pay shall be payable. If ~~he~~ **the employee** is not offered comparable employment within two hundred seventy (270) elapsed days' time after severance occurs, the unpaid balance of the total accrued severance pay shall be payable.

- b. *Add a footnote to the definition of a “qualified year” in Article 29(c) of the 2021 Local 52 SDPA as follows.*

“Effective [insert date that is October 1, 2024 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later], the definition of a ‘qualified year,’ for purposes of Article 29(c), shall be applied in the following manner with respect to calendar year 2023: As to calendar year 2023 only, an employee shall be deemed to have a ‘qualified year’ if the employee has worked at least 94 days.”

- c. *The following modification applies to Article 29(c) of the 2021 Local 52 SDPA:*

Modify the definition of a ‘qualified year’ so that an employee whose employment is severed on or after [insert date that is October 1, 2024 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later] is required to have 170 work days within a 365 consecutive day period (rather than 200 work days) in order to have a qualified year. The foregoing shall apply prospectively only (i.e., it does not apply to qualified years for which the work days occurred prior to the effective date of this provision), except that when a 365 consecutive day lookback period includes days that fall both within the term of the 2021 Agreement and within the term of the 2024 Agreement, the employee will be awarded a qualifying year if the employee worked 170 days within that 365 consecutive day lookback period.

22. **Sick Leave**

Modify Article 41(b) of the 2021 Local 52 SDPA as follows:

“41. SICK LEAVE

*** * ***

“(b) Paid Sick Leave Outside of the State of New York: The following is applicable to employees working under this Agreement outside the State of New York:

“(1) Accrual. Commencing June 1, 2022, eligible Eligible employees covered by this Agreement shall accrue one (1) hour of paid sick leave for every thirty (30) hours worked for the Producer, up to a maximum of forty-eight (48) hours or six (6) days **(up to a maximum of eighty (80) hours or ten (10) days, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]).** (In lieu of the foregoing hourly accrual of paid sick leave, and provided that advance notice is given to the employee, a Producer may elect to provide employees, upon their eligibility to use sick leave as provided below (i.e., upon working thirty (30) days for the Producer and after their ninetieth (90th) day **(forty-fifth day, effective [insert date that is January 1, 2025**

or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later] of employment with the Producer (based on days worked or guaranteed)), with a bank of twenty-four (24) hours or three (3) days of sick leave per year (forty (40) hours or five (5) days of sick leave per year, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]), such year to be measured, as designated by the Producer, as either a calendar year or starting from the employee's anniversary date. Under this elected option, such banked sick leave days may not be carried over to the following year.)

“(2) To be eligible to accrue paid sick leave, the employee must have worked for the Producer for at least thirty (30) days within a one (1) year period, such year to be measured, as designated by the Producer, as either a calendar year or starting from the employee's anniversary date. Sick leave may be used in minimum increments of four (4) hours upon oral or written request after the eligible employee has been employed by the Producer for ninety (90) days (forty-five (45) days, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]) (based on days worked or guaranteed), such period to be measured, as designated by the Producer, as either a calendar year or starting from the employee's anniversary date. Reasonable advance notification of the need for sick leave is required if the use is foreseeable; otherwise, notice is required as soon as practicable. Sick days accrued on an hourly basis shall carry over to the following year of employment; however, the Producer may limit the use of such accrued time to no more than twenty-four (24) hours or three (3) days (no more than forty (40) hours or five (5) days, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]) during each year of employment as defined by the Employer in advance. To the extent the employee is eligible for paid sick leave in a jurisdiction with a law that has not been waived in this Agreement, any sick leave paid pursuant to the law shall count towards satisfying the Producer's obligations to provide paid sick leave under this Article 41(b).

* * *

“(6) Producer shall advise the employee of the designated Producer representative or department whom the employee may contact to confirm eligibility and the amount of accrued sick leave available under this Article 41(b). The Producer will also indicate which period (*i.e.*, calendar year or the employee's anniversary date) the Producer selected to measure the thirty (30) day and ninety (90) day (forty-five (45) day, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]) eligibility periods and the cap on accrual set forth in subparagraph (2) above or which period (*i.e.*, calendar year or the employee's anniversary date) the Producer selected to apply the bank of three (3) sick days (five (5) sick days, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of

ratification, whichever is later) as provided in subparagraph (1) above. Producer also shall notify Local 52 of the name and contact information of the designated Producer representative or department.”

23. **Gender Neutral Language**

Modify the 2021 Local 52 SDPA to use gender neutral language that is grammatically correct, including changing “Foreman/Foremen” to “Foreperson/Forepersons.”
