* Pursuant to Articles 17.B.1 and 17.C.1 of the 2023 WGA MBA, the WGA elected to allocate one-half percent (0.5%) of the negotiated increases in certain minimums to the health contribution rate by giving notice thereof to the AMPTP not less than six (6) months prior to May 2, 2024. Accordingly, the increases in such minimums shall be reduced by one-half percent (0.5%), i.e., the same amount as the health contribution rate is increased. Combined with the one-half percent (0.5%) increase to the health contribution rate agreed to by the parties in the 2023 WGA MBA negotiations, the aggregate increase to the health contribution rate effective May 2, 2024 will be one percent (1%), resulting in a total contribution rate to the WGA Health Fund of twelve and one-half percent (12.5%).
